Great, thanks.

As for Roger...his number is 509.454.7658. I got the impression from him that he was going to take care of it quickly after you asked for the file. Sorry you haven't received anything yet. I'll bug him.

Krystal

Hi Krystal,

I am waiting to get a copy of your compliance file. Would you send Roger Johnson's number? It is my understanding from your response to my initial email that he was the one responsible for filling my request.

A letter will be sent to Mike Blum (or his vice) and yourself notifying WDOE of EPA's intent.

Hi Katie,

I understand you are handling enforcement for Flying B 29. Can you please let me know the status and EPAs plans for them (i.e. violations noted, penalty given, actions they must complete)?

Thanks,
Krystal

Good Morning Krystal!

EPA conducted an inspection at the above facility and found ongoing compliance issues. EPA has started the process of initiating a formal enforcement action. It would be very helpful if we could have a copy of your compliance file to include any past inspection findings, compliance documents received by the facility, etc. Please let me know if this is possible and when I might expect to receive it.

Thanks so much!!!
